

REGIONAL MEDICAL STAFF WELLNESS GRAND ROUNDS
PRESENTS

911: We have a doctor down!

Occupational health and safety
essentials for medical staff when we get
hurt at work.

Linda Roseborough, Client Partner, Medical
Staff Safety and Well Being, Fraser Health

This session offers a comprehensive foundation in occupational health and safety (OHS) tailored specifically for medical staff. By gaining a thorough understanding of OHS legislation, roles and responsibilities, and available programs and services, participants will be empowered to foster a safer and healthier workplace environment.
